

| Reference | Component          | Value       | Quantity |
|-----------|--------------------|-------------|----------|
| 125 V     | 125 V AC connector | 125 V       | 1        |
| R1        | Resistor           | 20 $\Omega$ | 1        |
| R2        | Resistor           | 30 $\Omega$ | 1        |
| R3        | Resistor           | 50 $\Omega$ | 1        |

|                                                                                   |                |                             |      |                                                                                                               |            |
