

| Reference | Component          | Value        | Quantity |
|-----------|--------------------|--------------|----------|
| 125 V     | 125 V AC connector | 125 V        | 1        |
| R1        | Resistor           | 20 $\Omega$  | 1        |
| R2        | Resistor           | 100 $\Omega$ | 1        |
| R3        | Resistor           | 50 $\Omega$  | 1        |

|   |           |                                                                                   |                              |      |                                                                                                               |                  |   |   |
